Dear Editor of IJSCIA

We are pleased to receive information about our article has just published online. I checked, but maybe it is needed to be checked again: the author and co author are false in online version (in the link <https://www.ijscia.com/?p=8056> the authors are written as: Jeffrey Agung\*, Yunias Setiawati, Nining Febryana), it should be like in the pdf version. In pdf version (link: <https://www.ijscia.com/wp-content/uploads/2021/12/Volume2-Issue6-Nov-Dec-No.201-990-994.pdf>) the authors are right, like our submission: Debie Saktiana Iriawandani1, Wahyudi Widada2, Zuhrotul Eka Yulis3, Hanik Badriyah Hidayati4\* , Azham Purwandhono5).

Would you like to make a correction in the online version?

Best regards,  
Hanik Badriyah Hidayati.

Dear editor of IJSCIA

Thank you for your reply and fast response.  
I saw again there was changing from a to d alphabetically into numbering for the names of author and co author.

In our submission, we wrote:

Debie Saktiana Iriawandania, Wahyudi Widadab, Zuhrotul Eka Yulisb, Hanik Badriyah Hidayatic, Azham Purwandhonod

aFaculty of Health Science, Universitas Muhammadiyah Jember, East Java, Indonesia  
bLecturer, Faculty of Health Science, Universitas Muhammadiyah Jember, East Java, Indonesia  
cDepartment of Neurology, Faculty of Medicine, Universitas Airlangga / dr. Soetomo General Hospital Surabaya, East Java, Indonesia  
dFaculty of Medicine, University of Jember / dr. Soebandi General Hospital Jember, East Java, Indonesia

Note:  
Wahyudi Widadab and Zuhrotul Eka Yulis are from the same institution, so the alphabetically are the same.

In your pdf version, it used not alphabetically and change into numbering. In your pdf version it is written with different number for Wahyudi Widada and Zuhrotul Eka Yulis.  
In pdf version it was written as: Debie Saktiana Iriawandani1, Wahyudi Widada2, Zuhrotul Eka Yulis3, Hanik Badriyah Hidayati4\* , Azham Purwandhono5).  
It made the institution are false for Zuhrotul Eka Yulis, Hanik Badriyah Hidayati and Azham Purwandhono.

If you don't mind, would you like to change into following version as right version?:

Debie Saktiana Iriawandani1, Hanik Badriyah Hidayati2, Wahyudi Widada3, Zuhrotul Eka Yulis3, Azham Purwandhono4

1Faculty of Health Science, Universitas Muhammadiyah Jember, East Java, Indonesia
