## PREFACE

Alhamdulillah, Praise be upon Allah who has guided me in finishing this thesis and likewise, Peace be upon His messenger, Muhammad SAW who saves me from the lost way.

In finishing this thesis, I thank you very much to Pak Amir Fattah, my advisor, who has spent his time in guiding me as well as to Bu Sumarto and Bu Widjajati who give corrections to my thesis. Also, my gratitude is directed to my friend Irwan Sumarsono who helped me by his only motor cycle in collecting references and also for Margono, for lending me his books.

At last, I hope this thesis will be useful for those interested in English Literature and by the title of frustration, the writer hopes that the readers of my thesis should not follow such attitude since the eternal happiness is not in this world but in the day after under the patron of 'Rahmatullah' and further criticism would be respectable for this my thesis.
