ACKNOWLEDGEMENT

First of all, I would like to say thank you to Allah SWT who gave me strength and blessing to finish my thesis. Without Him, I might not be able to keep holding on my feet in this university. This might happens only through His kindness and greatest.

My utmost gratitude is primary addressed to Mr. Jurianto, my great advisor who gave me sincere advice, support, guidance and for his willingness to share his valuable times and knowledge from the very beginning till the very last minutes to the accomplishment of my thesis. I also would like to express my genuine thanks to all lectures in English Department who gave me much knowledge during my study, especially for Mrs. Maimunah for lending her books and a contact to Mr. Sigit, an officer at “GAYa NUSANTARA” magazine who gave me those magazines for free and her information about gay word, thanks to him also. Best appreciation goes for Mrs. Masitha for her guidance and support since I started to study in Airlangga University.

The biggest gratitude also goes to my lovely parents and my brother for their support and attention. Special thanks to Desy Natalia, my girlfriend who always encouraged me to finish this thesis.
