ACKNOWLEDGEMENT

First of all, I would like to say *Alhamdulillah* to thank Allah SWT for everything He guides until I finish this thesis. I dedicate this to my beloved English Department of Airlangga University.

I would like to express my great gratitude to Mrs. Anna Dewanti for her irreplaceable encouragement, suggestion, guidance, and patience that I can finish this. I wish also to acknowledge my appreciation to all English Department lecturers who have given me very worthy knowledge and all English Department students who have helped and supported me in doing the research.

I must say a special thank to Eni, Dian, Dawim, Hwee Fa, Mita, Diyah, Emma, Teti, Willy, Zet, Nilam, Iza, and all '93 students that I cannot mention one by one. Thank you for being with me. My gratitude also goes to Nining and Nuh, my dearest friends, and to all of those who so conscientiously and scrupulously responded to the questionnaires.

Finally, I especially thank my beloved mother and father who give me love, care, and prayers. An additional special thanks goes to my dearest brother and sisters for their love and support. I love you all. Thank God for giving me a family like you.
