We have reached a decision regarding your submission to Acta Medica Philippina, "Assessment of the jaw morphometry for identification by using discriminant analysis".

Our decision is: Revisions Required

Your revised manuscript should be accompanied by a summary of your responses to the reviewers' comments.

Please resubmit your manuscript with the recommended revisions by April 15, 2020

If you are experiencing problems uploading your revisions, please email me at faobidos@up.edu.ph

Thank you.

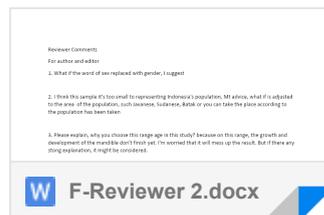

Sincerely,

Fevito Obidos
