ACKNOWLEDGEMENT

Alhamdulillahirobbil'aalamiin. First and the foremost, thank you to Allah SWT, the Almighty, All-Merciful Being, for giving me the grace of Islam to be my guidance. Thank you for never leaving me through the difficult times and always giving me strength. Thank you to Allah for the chance so I can finish this thesis.

I sincerely devoted my deepest gratitude to my beloved Mom and Dad for their endless love, affection, caring, guidance, patience, and support. I beseech for your forgiveness for all the over tolerance, anger, grumble, and tears for my mischief during college time, especially the thesis writing time. To Doni, my sibling and best friend, thank you for being a great domestic partner, and willing to be my sharing and quarrelling friend.

I own an enormous gratitude to my thesis advisor, Lina Puryanti, S.S, M.Hum for her patience, guidance, suggestions, and corrections during my hard time finishing the thesis. Please do apologise my mistakes, indeed. My gratitude also to my lecturer, Listiyono Santoso, S.S, M.Hum, on whom I search on hints about Karl Marx, for the discussion and books. I cannot forget also thanks to all of my lecturers in English Department and staffs of Faculty of Letters Airlangga University.

Spending years in campus, it is not wise for me not to thank to my friends, sisters, and brothers, in English Department, particularly the years of 2000. Thank you for wonderful years we have spent together. Thank to my D'ART sisters,

(Resti and Martina), and Hanim; thank you so much for being the nicest and most supportive partners in campus.
