Acknowledgements

All my gratitude be to Allah, the Almighty, for His blessings, generosity, and favor in giving me faith, strength, and ability to finish this thesis.

I would like to give my word of appreciation to Mrs. Sudijah for her input, patience, guidance and editing that make me able to do my best in accomplishing this thesis.

Special gratitude goes to all lecturers of the English Department, Faculty of Letters Airlangga University, for the guidance during academic years. My special thanks go to Ms. Widjajati and Ms. Maemunah for being my academic counselors.

The most important persons in my life: my beloved mother and late father. My greatest appreciation to you, mom, for your tremendous love, patience, and strength in raising and leading the family as single parent. For my late father, Sirazuddin R.A.T., thank you for giving me the beautiful and fabulous ten years greatest life with you. I love you and hope you can see me from heaven. I will always wait for you in my dreams, Pah.

For my brothers: Ka' Andy and Icha. Thank you Ka' for the spirit you give to me. Don't worry, I will do the 'reading' as you wish. Hope you can gain the success in every step that you take because I always pray for you. For Icha, would you stop your laziness and naughtiness coz' you're grown up man now. Anyway, I'm proud of you, guys.

To Anita, Ayu, Lusi, and Sophie, thank you for the precious times we have spent together. You have made me change, especially in believing of my ability

and raising my self-confidence. I always appreciate those, girls! To Diah, thank you for your kindness and the 'provocation' to finish the thesis, although I cannot make it on time. To Dika, thank you for your help and for being the only man around us. To all of the EDSA '99 students, thank you for being such nice friends.

Last but not least, I'd like to give my deepest appreciation to my dearest Ewing for being such patience partner and for giving me such great love and affection which I've never had before. Never give up coz I'll wait for your graduation and hope we can build our dreams together.
