ss_naticus: hey

avolita: hi :)

ss_naticus: u still there?

ss_naticus: hey, what's up?

ss_naticus: feeling any less stressed?

avolita: feeling better

ss_naticus: good

avolita: i just consulted with my lecturer about my poetry assignment

ss_naticus: was it a good consultation? or bad?

avolita: a good one i guess

avolita: she said i'd better use expressive approach for the sonnet cos i said it's difficult to analyse it even with theory of love

ss_naticus: i agree

ss_naticus: i've been thinking and wondering how you were going to do it

avolita: by using that approach i can still include the theory of love to support my analysis

avolita: and i have no idea

avolita: hehehe, but at least i know what i am going to do

ss_naticus: at least you got the engine going now

avolita: :D

avolita: yesterday i slept for 11 hours!

ss_naticus: right on

ss_naticus: feel better?

avolita: yup!

avolita: and i'm eating donut now

ss_naticus: hey brb, 5 mins

avolita: ok

ss_naticus: hack

ss_naticus: back

avolita: i only have an hour today

ss_naticus: brb

avolita: :|

ss_naticus: ok, back for good now

ss_naticus: still there?

ss_naticus: I-)

avolita: yeah

ss_naticus: hey 11 hour sleeper

avolita: hey, i deserved 11 hours sleep cos two days before i slept for 4 hours only

ss_naticus: only an hour?

ss_naticus: :(

ss_naticus: i'm just picking with ya

ss_naticus: of course you deserved it
 ss_naticus: and you still need some mer
 ss_naticus: more
 avolita: :)
 avolita: wanna talk bout the sonnet?
 ss_naticus: yeah
 ss_naticus: what do you want to talk about ?
 ss_naticus: which one did you decide on again?
 avolita: #40
 ss_naticus: k, let's talk
 avolita: i don't where to start :p
 ss_naticus: lol
 ss_naticus: what do you have so far?
 ss_naticus: any ideas?
 ss_naticus: where do you have to start?
 avolita: i just read it over and over again...
 avolita: wondering how many loves he's got,hehehe
 ss_naticus: lol
 ss_naticus: ok, here we go...
 ss_naticus: 1st 2 lines
 avolita: ok
 ss_naticus: take all my loves, my love, yea take them all;
 ss_naticus: what hast thou then more than thou hadst before?
 ss_naticus: his love, at the time, is who he's talking to
 ss_naticus: he's telling his love to take all his loves
 avolita: does he really love the girl that much or
 avolita: is he so desperate in love?
 ss_naticus: he's asking does she have more now than she had before
 ss_naticus: he's in an argument with her
 ss_naticus: he's telling her to take it all
 ss_naticus: all of him
 ss_naticus: every part of him
 ss_naticus: which is what he's been giving her all along
 avolita: but why he wants to give all his love?
 ss_naticus: does she have more now than she had before?
 ss_naticus: let's move on and see
 ss_naticus: no love, my love, that thou mayest call true love call
 avolita: ok
 ss_naticus: what he's giving her isn't what she can call true love
 ss_naticus: he's a player
 ss_naticus: at this point we see him as a user
 ss_naticus: using her for sex and fun
 ss_naticus: but she wants to be serious and he's getting pissy with her
 ss_naticus: at this point anyways
 ss_naticus: but is it so?
 ss_naticus: could it be?

ss_naticus: lol
 ss_naticus: nope
 avolita: :)
 ss_naticus: in the next line, he's telling her that all that he as was always hers
 ss_naticus: what was his was hers
 avolita: so is he changing his mind?
 ss_naticus: let's wait and see
 ss_naticus: that's how i learned to analyze
 ss_naticus: do each line, one at a time
 ss_naticus: brainstorm and get all the possible ideas you can and move on
 ss_naticus: towards the end, you see it all come together
 avolita: yes, sir
 ss_naticus: then if for my love thou my love receivest
 ss_naticus: then, if for my love, you my love receive
 ss_naticus: i cannot blame you for my love you use
 avolita: hmm
 ss_naticus: he's telling her that he can't blame her for receiving his love because
 it's his love that she wants
 avolita: is it?
 ss_naticus: but yet be blamed, if you yourself deceive me
 ss_naticus: by willful taste of what yourself refuses
 ss_naticus: now there's a turn
 ss_naticus: she wants his love, but now we see him telling us that she's refusing
 what she wants
 ss_naticus: she's tasted his love
 ss_naticus: wants his love, but now refuses his love
 avolita: why?
 ss_naticus: or is she?
 ss_naticus: lol
 ss_naticus: he'll blame her if she lies about refusing his love when she so wants
 his love
 avolita: well that's the risk for giving all your love to someone else
 ss_naticus: is she lieing?
 ss_naticus: true
 ss_naticus: to this point, we see him openly giving himself to her
 ss_naticus: perhaps she wanted more from the relationship
 ss_naticus: and he's feeling like what else can i give?
 avolita: commitment maybe?
 ss_naticus: if i give my all now, do you have more now than you did before?
 ss_naticus: perhaps
 ss_naticus: next line
 ss_naticus: and i'm typing in modern english, it makes it a little easier
 ss_naticus: I do forgive your robbery, gentle thief,
 avolita: what can she rob from him?he gives her everything
 ss_naticus: although you steal everything i have, even what i don't have
 ss_naticus: that's what i think he means by poverty

ss_naticus: she has stolen his heart
 ss_naticus: and yet, love knows, it is a greater grief
 ss_naticus: to bear love's wrong than hate's known injury
 ss_naticus: now we see a slight hint here of an apology
 ss_naticus: it's better to bear the mistakes with love or to
 ss_naticus: i forgot what i was going to say... lol
 avolita: why does he feel love's wrong is more bitter than hate's known injury?
 ss_naticus: to understand really, you have to have been in love and been hurt
 ss_naticus: to be hurt by the one you love is so much more painful than to hate
 ss_naticus: it's easy to hate
 ss_naticus: but when you love someone and they wrong you
 ss_naticus: you can't just immediately hate them
 ss_naticus: you still love them
 ss_naticus: and it's that love that hurts so
 ss_naticus: even worse than hate
 ss_naticus: move on to the last line and it all comes clear
 avolita: and that's why he calls her "gentle thief"?
 ss_naticus: yes
 ss_naticus: coz he loves her so much
 ss_naticus: he's given his all time and time again
 ss_naticus: she still wants more
 ss_naticus: he's given even what he doesn't have
 ss_naticus: and she keeps on taking and taking and taking
 ss_naticus: just like a thief
 ss_naticus: kill me with spites, yet we must not be foes
 avolita: and that's why he surrenders to her by saying take all my loves
 ss_naticus: yes
 ss_naticus: the 1st line is it
 ss_naticus: even though she despises him and is probably embarrassed of him in public
 ss_naticus: lol, i dont' know
 ss_naticus: but anyways
 avolita: :D
 ss_naticus: she can despise everything about him, but he still wants to be her love
 ss_naticus: to be enemies with the one you love so dearly is the love's wrong that is worse than hate's injury
 avolita: what is lascivious grace?
 ss_naticus: he puts emphasis on that in the last line
 ss_naticus: "we MUST not be foes"
 ss_naticus: he knows
 ss_naticus: does that help? should we do it again?
 avolita: 8-|
 avolita: :D
 ss_naticus: lascivious is a word used to describe exciting sexual desires or lust
 ss_naticus: all the ill well shows up in lascivious grace
 ss_naticus: the bad things show up thru it

ss_naticus: their relationship is sex based
 ss_naticus: but for him it's moved on to love, and a rather deep love
 avolita: yeah, but lascivious and grace...sounds like a contradiction
 ss_naticus: but for her, it's still shallow
 ss_naticus: she feels like she can find another man and be ok
 ss_naticus: i wish we could talk on the phone
 ss_naticus: true
 ss_naticus: he's made it into an expression
 ss_naticus: like for me i'd say something like god bless these lawbreakers
 ss_naticus: coz they keep me employed
 ss_naticus: thru the the grace of lust has he seen her real heart
 avolita: :)) what is spites....i wish i had my dictionary with me now!
 ss_naticus: spites
 ss_naticus: is despising
 ss_naticus: all her spites
 ss_naticus: she despises him for various things
 ss_naticus: or to be more accurate
 ss_naticus: i'm sorry
 ss_naticus: despising isn't really a good enough word for it
 ss_naticus: spites is more like a feeling of ill will
 ss_naticus: to want to hurt
 ss_naticus: so you could translate that from spites to hurts
 ss_naticus: or her malicious feelings
 avolita: so by the end of the line we can see that his kove to her is more than just
 lust,right?
 ss_naticus: yes
 ss_naticus: but for her, she hasn't moved past the lust
 ss_naticus: and despises him for his love, but yet still takes it from him
 ss_naticus: she's still having sex with him
 ss_naticus: but she doesn't necessarily love him
 ss_naticus: i dont' know if they're having sex... lol
 ss_naticus: to have such strong feelings can only mean that though
 ss_naticus: because when a man and a woman have sex, they become one
 ss_naticus: and they share such intimate things
 avolita: :)
 avolita: i have 5 mins left
 ss_naticus: no
 ss_naticus: already?
 ss_naticus: i'm already missing you
 ss_naticus: :(
 avolita: i wish we could talk longer
 avolita: we haven't finished with this shakespeare stuff
 ss_naticus: me too
 ss_naticus: i wish we could talk in person
 ss_naticus: on the beach
 ss_naticus: i'm here, whenever i'm logged in, to help you

ss_naticus: i'm getting the internet at home on the 21st
 avolita: cool...will you be here tomorrow?
 ss_naticus: so i'll be able to chat with you on my off nights
 ss_naticus: no, unfortunatly
 ss_naticus: i'm off tomorrow and the next day
 avolita: so when can we talk again?
 ss_naticus: i don't know
 ss_naticus: will you be online on saturday?
 avolita: my saturday?yes
 ss_naticus: you'll be online then?
 avolita: yup
 ss_naticus: yes, your saturday
 avolita: ok we'll meet on sat..and now i really have to go
 ss_naticus: ok... take care
 avolita: thanks for helping me
 avolita: and be patient with me
 ss_naticus: see ya then my dear... ;)
 ss_naticus: you're welcome, anytime
 avolita: bye

 siddiqui_sohail: do you have the same advisor?
 siddiqui_sohail: cause here you have to have an apointment with your advisor to go to him/her
 lavenheit: no we have different advisors
 siddiqui_sohail: we dont call them advisor we call them semester father
 lavenheit: ha ha
 rini_siddiqui: jani here we can meet academic advisor a week before new semester begins
 lavenheit: what if it is she?

siddiqui_sohail: and semester of a fac. in the same semester have the same semester father

rini_siddiqui: but to meet thesis advisor we should make appointment first

rini_siddiqui: haha

rini_siddiqui: i have semester mother

rini_siddiqui: my thesis advisor is also a mother

rini_siddiqui:

lavenheit: aha

rini_siddiqui: there are only a few male lecturers at our department

siddiqui_sohail: it is only a name here if it is a female then she is also semester father

rini_siddiqui: i also call english dep, dep of women

siddiqui_sohail: just like we call our department Madersa

rini_siddiqui: what's madersa?

siddiqui_sohail: we have very less girls at the department

lavenheit: but i got a real sem. father

siddiqui_sohail: islamic school, where you learn Quran

rini_siddiqui: we have less guys at class

rini_siddiqui: you see in the pic of me with friends, there're only a few guys

rini_siddiqui: ok, here it's called madrasah

rini_siddiqui: X has a chat friend from malaysia

lavenheit: that's why we often go to another faculty just to look for male species

rini_siddiqui: she's the one who can play piano

rini_siddiqui: you mean to look for female students?

siddiqui_sohail: ya we male species are getting stinct

rini_siddiqui: you already have enough male students

siddiqui_sohail: no we dont have time to go to the other departments for that, but it would have been fun

rini_siddiqui: yes, all of you are endanger species

rini_siddiqui:

lavenheit: yeah i guess so, then we have to move to another galaxy

rini_siddiqui: Jani X is a pianist

rini_siddiqui: she can play my songs very well

lavenheit: hehehe, not really

lavenheit: she's just exaggerating

rini_siddiqui: when i can't find the cords by myself, she can help me

rini_siddiqui: no i'm not

siddiqui_sohail: no no you can stay on earth you can name it different if you like

rini_siddiqui: you play the piano well

rini_siddiqui: do you also meet academic advisor every semester?

siddiqui_sohail: please X can you be her teacher for piano?

rini_siddiqui: X, he is learning Indo language

siddiqui_sohail: she just loves to play piano but at the time she doesnt have one

rini_siddiqui: you can also teach him some words or sentences

rini_siddiqui: jani, i can't play piano

rini_siddiqui: but i want to learn
 siddiqui_sohail: but you can learn cant you?
 rini_siddiqui: i was learning it only for a few months
 rini_siddiqui: X has learned it si nce she was 10 years old
 rini_siddiqui: so imagine yourself how well she plays
 rini_siddiqui: it
 rini_siddiqui:
 lavenheit: 12, exactly
 siddiqui_sohail: if you both have free time and if ira likes she can give you lessons, that way you both will be together and
 rini_siddiqui: you told me you started at 10?
 rini_siddiqui: which one is right?
 lavenheit: but i can only play 'mary has a little lamb'
 siddiqui_sohail: can also discuss your problems of normal life too
 lavenheit: lol
 rini_siddiqui: X's house is very very far from mine jani
 lavenheit: uhuh
 rini_siddiqui: jani she can plays Mozart
 siddiqui_sohail: oh ok, but isnt it good to go out for a while
 rini_siddiqui: play=
 rini_siddiqui: yes, sometimes i come to her house
 rini_siddiqui: but it's been long time since i came there
 rini_siddiqui: actually we're going to join song writing competition
 siddiqui_sohail: or you can also learn girare, piano is too big to have at home
 lavenheit: OMG
 rini_siddiqui: i have the song, and she would play it
 rini_siddiqui: but
 rini_siddiqui: the problem
 siddiqui_sohail: unless you have a large home
 lavenheit: u should hear she sings
 rini_siddiqui: we don't have enough money to make demo CD
 lavenheit: she got beautiful voice
 siddiqui_sohail: i know she must sing fantastic, she has such a good voice
 rini_siddiqui:
 lavenheit: have u listened ?
 rini_siddiqui: but when i'm nervous i can't sing well
 siddiqui_sohail: no one can sing when he/she is nervous
 siddiqui_sohail: that is normal
 lavenheit: i hope u're not nervous when u come to meet him, then
 rini_siddiqui: thank you
 siddiqui_sohail: yes she sang me a song on the phone
 lavenheit: so that u cn sing hehehe
 rini_siddiqui: her brother also plays piano
 rini_siddiqui: and her mom plays organ
 siddiqui_sohail: yes jani, when you have a piano at home every one learns sooner or later

rini_siddiqui: hahaha
 rini_siddiqui: i put him to sleep at that time with the song
 siddiqui_sohail: that means X has a musical family
 rini_siddiqui: yes
 rini_siddiqui: i think so
 rini_siddiqui: she and bro started to learn at early age
 lavenheit: i guess so, but i only play it to entertain myself
 lavenheit: or my nieces
 rini_siddiqui: i was learning at univ only for 1 hour once a week for less than 6 months
 lavenheit: my little nieces
 siddiqui_sohail: to play music can be learned at any age, though it takes more effort but any one can learn
 rini_siddiqui: she's aunt jani
 rini_siddiqui: her brother is married and has twin daughters
 siddiqui_sohail: it is a good thing, cause playing music is also relaxing, and makes your mind free of daily thoughts and your problems
 rini_siddiqui: yes, everyone can learn if they want and have chance
 siddiqui_sohail: the people who play musical instruments are less aggressive
 lavenheit: yea, my uncle had already married when he decided to learn playing piano
 lavenheit: so you can start it anytime
 rini_siddiqui: when i was at her house, i used to ask her to play my songs
 rini_siddiqui: i can compose songs, but i can play them myself
 rini_siddiqui: i only know some chords
 rini_siddiqui: she also taught me some
 rini_siddiqui: but it's impossible to learn without having the instrument at home
 lavenheit: u know, i probably had made hundreds songs up to now
 lavenheit: but i didn't write them
 siddiqui_sohail: you could have an electronic key board but i think it is not the same
 lavenheit: so it's quite stupid huh
 rini_siddiqui: i think the basic lesson is the same
 lavenheit: no, piano is different
 rini_siddiqui: but it seems she prefers piano
 rini_siddiqui: i 'm talking about the chords
 siddiqui_sohail: being creative is never stupid
 lavenheit: the feel the sound, so different
 siddiqui_sohail: besides you also enjoy what you do, and that is what mainly counts
 rini_siddiqui: i think organ and piano chords are the same
 rini_siddiqui: of course they're played differently
 lavenheit: i hope so
 rini_siddiqui: jani if you want to learn to play music instrument, what instrument would you like to learn?
 siddiqui_sohail: well if you ask me, piano is too difficult for my little brain i

wanted to learn gitare, but dont hvae time for that, atleast not at the time
 rini_siddiqui: X and I ever composed song together
 rini_siddiqui: jani you're very smart
 rini_siddiqui: you speak two foreign languages
 siddiqui_sohail: no i am not, besides being smart and creative are two totally different things
 rini_siddiqui: and you're com expert too
 rini_siddiqui: i know nothing about it
 lavenheit: haha cute
 lavenheit: you two must be very cute together
 lavenheit: hey you should come here to indo,
 siddiqui_sohail: learning some thing that some one has already done it smart, doing some thing that some one has never done before is creative
 lavenheit: indonesia is a very beautiful country
 lavenheit: well, at some point
 lavenheit: he he
 siddiqui_sohail: i want to come there too, but at the time i cant, i dont have time and the money
 rini_siddiqui: X is doing tourism promotion now to you
 lavenheit: lol
 lavenheit: did i?
 siddiqui_sohail: i know indonesia is a natural beauty
 rini_siddiqui: she could work in travel agent too?
 lavenheit: do u mean for the people or the scenery
 lavenheit: ?
 siddiqui_sohail: it is not bad to be good to your country
 rini_siddiqui: i think he means that for the scenery, am i mistaken ?
 lavenheit: ever heard this: right or wrong is my country
 siddiqui_sohail: well i dont know any one there but i have talked to some of her frineds too the same way i have only seen cards of documentry about indonesia
 lavenheit: or something like that
 siddiqui_sohail: there are always +ve and +ve things about any thing
 rini_siddiqui: well, indonesia has its good and bad
 rini_siddiqui: there's a very good book you can read about indonesia
 siddiqui_sohail: every country or every thing in the world has it's goods and bads
 rini_siddiqui: i saw it in book shop, it's published by The Discovery Channel
 siddiqui_sohail: like med, they have there positive sides but also the -ve effects
 siddiqui_sohail: i have seen the documentry about Indonesia on Discovery Channel
 lavenheit: but you need both sides to be able to love, right
 rini_siddiqui:
 lavenheit: or else, you may not love ur country that much
 rini_siddiqui: i have seen pakistan on TV, magazines and newspaper
 siddiqui_sohail: you cant have only the +ve and ignore the -ve
 siddiqui_sohail: and if every one and every thing had only +ve sides then we would all have been angles and this would have been paradise

lavenheit: but we should try to reduce the negative side... he he
 lavenheit: yea, right!
 rini_siddiqui: but the world is not heaven
 lavenheit: it's getting too serious
 lavenheit: lol
 rini_siddiqui: X has internet jani
 rini_siddiqui: at home
 rini_siddiqui: but she prefers to chat at internet cafe
 siddiqui_sohail: ya and that is what i love about islam too , it says, if you see some thing going on bad you should try to stop it with your hands, if you cant do that or you dont have the forct then you should try to stop it with your words and if that is not posible then atleast you should know what is going on is bad, and that is the least you can do
 lavenheit: that's a good thought
 rini_siddiqui: jani here there are many religions, basically indonesia is a very diverse country
 siddiqui_sohail: you can ask her to show you my pic if you want to see my pic
 rini_siddiqui: but so far i have never had problems with that
 lavenheit: though u should consider other ppl
 lavenheit: that other ppl got their own principles/ values
 siddiqui_sohail: yes i know, you were under japan, and i think also china
 lavenheit: okay
 rini_siddiqui: i mean like X and me or the other friends, we 're from different tribes, have different religions, but we can be friends
 rini_siddiqui: despite the differences we have
 siddiqui_sohail: you are right
 lavenheit: no i never think about that kind of differences in a friendship
 rini_siddiqui: not china
 rini_siddiqui: first dutch and then japan
 siddiqui_sohail: oh ok
 rini_siddiqui: i never either
 lavenheit: you are a nice person
 lavenheit: i know that
 lavenheit:
 rini_siddiqui: you're also a nice person
 siddiqui_sohail: i already know that
 rini_siddiqui: X is from Toraja tribe in Sounth Sulawesi
 siddiqui_sohail: i think every one has a good and a bad person, you only have to discover the right one
 rini_siddiqui: and i'm from javanese tribe
 rini_siddiqui:
 rini_siddiqui: do you have indo map jani?
 lavenheit: actually i'm the mixture of javanese and torajanese
 rini_siddiqui: or worl atlas?
 rini_siddiqui: world=
 siddiqui_sohail: well i was born in pakistan, karachi, but in my early ages my

father came to saudiarabia and i spent my childhood there, then they went back with the family

rini_siddiqui: i'm 100% javanese

siddiqui_sohail: i compleated my high school there and came to germany to learn

rini_siddiqui: jani i have hotel brochure in Toraja

rini_siddiqui: Toraja has a very unique culture and traditiom

lavenheit: so you've travelled to many places

rini_siddiqui: their architecture style is very unique and beautiful

lavenheit: we envy you for that, right?

lavenheit: hehe

siddiqui_sohail: i have internet and on internet there are all the maps of the world

rini_siddiqui: yes he's lucky, he has seen many different places

rini_siddiqui: sulawesi island is on the north, next to kalimantan island

siddiqui_sohail: you can say that i am lucky, but if you ask me, i never had friends like you did

rini_siddiqui: i have never been there

siddiqui_sohail: i mean i had friends and i had to leave them

rini_siddiqui: someday i wish to go there

siddiqui_sohail: and you know to make friends after you are old is some thing different

rini_siddiqui: tha's not true

rini_siddiqui: you told me you have some good friends

rini_siddiqui: jani i told you

rini_siddiqui: when girls are married everything will change

siddiqui_sohail: that is true, i have some good friends, but it is not the same to have old friends from your childhood who know you inside out

siddiqui_sohail: ya there husbands should be there best friends

rini_siddiqui: i don't think she will have time for me or other friends as much as before she's married

lavenheit: well i think there's nothing perfect

rini_siddiqui: right?

siddiqui_sohail: but normally that is not the case

rini_siddiqui: will you forget your friends when you're married and have children?

lavenheit: but right now, that idea sounds weird to me

lavenheit: i mean, we shouldn

lavenheit: sorry

siddiqui_sohail: there is a saying in urdu, "when you are married you lose your friends, and when you have children then you lose your self too "

rini_siddiqui: my husband must be my best friend too

rini_siddiqui:

rini_siddiqui: what';s the meaning of that?

lavenheit: we should consider other things apart of the family

lavenheit: but i don't know

lavenheit: it's just my thought

rini_siddiqui: i agree with you

rini_siddiqui: though the priority is different when someone is married

siddiqui_sohail: i think a best friend is whom you trust, tell every thing you think and you pass time together and enjoy the life as it is

rini_siddiqui: yeah, you can say that now cause we're all still single

rini_siddiqui: young, single and broke

lavenheit: ya, it depends on how you manage to arrange your priorities

lavenheit: lol

siddiqui_sohail: the life is full of problems, so one should take time to enjoy even small happiness

siddiqui_sohail: i dont intend to say you shouldnt have friends when you are married

rini_siddiqui: yes, life is very short and complicated, we need friends to survive in this crazy lonely world

rini_siddiqui: i know what you mean

siddiqui_sohail: every one needs time for themselves but i think a successful partnership is when you and your partner understand each other

siddiqui_sohail: you dont have to have the same openion about every thing

lavenheit: of course not, that will be BORING

lavenheit:

rini_siddiqui: well, i haven't changed my opinion, i want my husband to be my best friend too

lavenheit: a little bit argument, is fine...

rini_siddiqui: she thinks argument is spice of life

rini_siddiqui: am i right?

siddiqui_sohail: with out being open to your partner how can you live a life together? i cant imagine being with some one all my life and not teling what i think or what i find good and bad

rini_siddiqui: i mean having little argument

lavenheit: yea, marriage is forever, and u got to be sure that u'll be with the person that knows u well n take u as the way u are

rini_siddiqui: i agree

rini_siddiqui:

siddiqui_sohail: arguments are to have different openion and i think that is normal in life, no two person can have the same openion about every thing

lavenheit: so r u thinking about marriage?

lavenheit: i mean u two

lavenheit:

lavenheit: i really mean it

rini_siddiqui: X is thinking about marriage already

siddiqui_sohail: ya, i think she is a adorable and cute girl, very understanding

siddiqui_sohail: i think she will be a perfect wife

siddiqui_sohail: i think she is the right one for me

lavenheit: rrrreally....

rini_siddiqui:

lavenheit: HAHAHA

rini_siddiqui: i don;t know if I snore or not, i don't hear anything, how can i when

i'm sleeping?

rini_siddiqui: i hear snoring orchestra at my grandma's house every ied day

rini_siddiqui: when everybody is asleep, i'm awake

rini_siddiqui: do you snore X?

siddiqui_sohail: when you decide to live a life with some one, you accept that person with all the good and bad things in that person

siddiqui_sohail: and after some time you get used to it

lavenheit: ok i'm listening

siddiqui_sohail: you realize that, there are more good things then bad things, and you just ignore the bad things

rini_siddiqui: yes jani she told me she wants only a man who can love her as she is

lavenheit: everybody's wishes

lavenheit: right?

siddiqui_sohail: you are right, i also wish that you get what you wish for in your life

rini_siddiqui: she'll get what she wants, she's very smart, creative, cute and nice

siddiqui_sohail: no one deservs to be sad in life, one should learn to be happy with small happiness in life

rini_siddiqui: if i were a man i would marry a woman who can play piano

siddiqui_sohail: that is not a criteria,

siddiqui_sohail: and i cant play piano

rini_siddiqui: i heard someone who can play music instrument is smart, imaginative and romantic

rini_siddiqui: i'm sorry, didn;t mean anything offensive

siddiqui_sohail: i know jani

rini_siddiqui: of course that's not my criteria

siddiqui_sohail: i know that, but you cant say you will marry some one only cause he can play piano

rini_siddiqui: are you still alive X?

rini_siddiqui: no jani i didn't mean that

rini_siddiqui: i was just playing

siddiqui_sohail:

rini_siddiqui: the first thing that makes me fall in love with a man is his personality

rini_siddiqui: not if he can play piano or not

siddiqui_sohail: hello where are you?
