## **ACKNOWLEDGMENT**

First of all, I would worship the almighty God, for His blessing have given me strength and spirit to finish my thesis. Above all reasons, I should thank God for everything I am.

Special acknowledgment goes to Dra. Christinawati as my thesis advisor, who gave considerable support and guidance for the thesis, wisely pointing out the weaknesses and recommending improvements. Acknowledgment is also due to all my lectures in The English Department of Airlangga University.

I am most grateful to my parents, embah, and my sisters for loving, caring, supporting, protecting and trust, so that I am able to finish my study. My thanks also go to my Aunt and Uncle's family in Gunung Anyar, thanks for being very supportive in my difficult time.

My thanks also go to my dear best friends, Enny, who always understand me and gave me encouragement, Santi Novi, Santi Dwi, and all students of '92. My thanks also go to Wulan for lending me her computer, Ruth for helping me typing, Mbak Umi for her dictionary. I could never thank you all enough. Also for Dian, Asih, Anna, and all my friends in Gubeng Kertajaya 7L/16A Surabaya, thank you for your understanding and for the happiest time you gave to me. I hope it never ends.

**Due to my limited knowledge, this thesis is not perfect, in fact, it needs a great deal of improvements. I would certainly welcome all the readers' comments, critique, or suggestion to provide improvements.**
