ACKNOWLEDGEMENTS

All praises and gratitude be to Allah S.W.T. that has blessed me to accomplish this thesis.

I thank a number of people who have encouraged, supported and helped me in many ways for the completion of this thesis. I am particularly thankful to Drs. Hariawan Adjie, ST, M. Kes. as my thesis advisor and Drs. Amir Fattah, M. Hum. as the lecturer of Writing III Class from whom I got the inspiration and a lot supports to complete this thesis. I also appreciate a meaningful cooperation given by the students of Writing III Class in 2005. Deeply thanks are for all the lecturers who have taught me a lot.

Then, deeply thanks I send to my father and mother and all my beloved relatives in Lawang, my hometown. I also thank to my family in Surabaya, where I live today. To my best man, thank you so much for every single thing.

At last but not least, to Sofie and her family, I thank you for being my rescuer in this town. To Defie, I thank you for helping me in the 'rain' to finish this thesis problem. Then, many thanks are for Anita, Citra, Lusi, Galuh, and Dina for being my best friends. I also thank the students and post-students of EDSA especially Haryo, Sukma, Hesti, Diah, Dika and all people whom I cannot mention here, but surely, without them, I would be nothing.

However, I admit that this thesis still needs some improvement. Therefore, all constructive criticism on this thesis is highly appreciated.
