ACKNOWLEDGEMENTS

Alhamdulillahirabbil`alamin. First of all, I would like to express my gratitude to Allah SWT, The Most Gracious and The Most Merciful, for the help, spirit, and strength. He gives all the time so I can finish this thesis and to the beloved Prophet Muhammad SAW, peace be upon him, as the most virtuous act for all Muslims. They both always light me up wherever and whenever I felt down until I could accomplish this thesis.

I realize that this thesis would not be finished without the guidance, advices, and courage from my thesis advisor. Therefore, I would like to thank Mrs. Masitha A.S., M.Hum. for her patience in guiding me to finish this thesis. I am very lucky to have a thesis advisor and an academic advisor like you.

A very special thanks goes out to my family: my parents Isnanto and Anis for the advice, motivation and pray during the process of writing this thesis. Thank you very much for your endless loves and cares. I also really thanks to my loyal partner Ratu, thanks for happiness, cheers, jokes, laughs, cries, and sadness we share.

I am indebted to my comrade partners: Arina, Febriana, and Lily who always accompany and cheer me up in writing this thesis. Hopefully we will still be friends forever. Thanks also to my best friends Iwan, Dodik, Akbar, Afif, and Ramzi. Thank you for the friendship in this four years. We have done many things and we have discussed and shared many things called friend and family. Last but not least, I address my compliment to all my 2K10 friends from Linguistics, Literature, and Cultural Studies Class who cannot be mentioned one by one. Thank you for the laugh and time

we shared. The amazing 4 years are irreplaceable. I am proud to be Sasing. Wish the best for us, guys!
