ACKNOWLEDGMENT

First of all, all pray and gratitude go to Jesus Christ for His blessing and guidance that I have the ability and strength to finish my thesis.

Besides that, I am always grateful to my advisor Dr. Rochayah M, M.A., who gives a lot of advice, suggestion for the accomplishment of this thesis.

I wish to thank my father, mother, sister and brothers for their pray and motivation. I thank all of my *sparring partners* Ika, Owi and Yari in sharing views, ideas and suggestions for the purpose of improvement. I also want to thank Danti, Eni, Vivi, Riris and my faithful friend, Perwi, who have helped me in finishing my thesis. And for the attention and understanding of ILS, -Director and Staff-, at times, I am also gratefull; and unforgettably, also thank my beloved Suryadi, to whom I can't belong.

I realize that this thesis is far from being perfect and satisfactory. Therefore, I wish to accept and appreciate every constructive suggestion and criticism which are given for this thesis.
