Reviewer A:

Dear Author,

- This manuscript from introduction to conclusion (Figure and table excluded) has 2200 words and will be published as Short Communication. At least, you must add more than 2500 words from introduction to conclusion (Figure and table excluded), so it will not be published as Short Communication.
- This manuscript has lacks references. At least, you need to compose a minimum of 20 references which 80% of scientific journals published in the last 10 years (2012-2022), and a maximum of 10% of references in local references.

2. Some lines are very confusing so please correct them.
3. please read discussion section very carefully and made the possible corrections.
4. What is the difference between figure 1 and 2, as per me both figures showed the oocysts of *Eimeria*, then use only one picture and if not than write the name of species in figure 1.
