Dear Prof. Dr. Izzet Yavuz

I hope this email finds you well. I write this email on behalf of Nanik Zubaidah, the author of **FTD20_1355_Nanik_Zubaidah_Indonesia, THE EXPRESSION OF TUMOR NECROSIS FACTOR ALPHA AND ALKALINE PHOSPHATASE DUE TO INDUCTION OF COMBINATION CALCIUM HYDROXIDES AND PROPOLIS**

Due to our university's policy, we have to documented submission proof of our manuscript. However, the submission email (the email stated that our manuscript has been successfully submitted to the journal) happened to be lost because the person who sent the email unfortunately got sick and unable to continue her job.

If it is not bothersome for you can i ask the submission email of the regarding manuscript to be forwarded to this email?

Thank you very much for your cooperation and understanding. I wish you health always.

Regards,
