08-May-2019

Dear Dr Rochmah,

Thank you for your patience while your manuscript was under review. Your manuscript, entitled "Achieving cost-efficient management of drug supply via economic order quantity and minimum-maximum stock level", which you submitted to Expert Review of Pharmacoeconomics & Outcomes Research, has now been reviewed. The referee comments are included at the bottom of this letter.

The reviews are in general favourable and suggest that, subject to minor revisions, your paper could be suitable for publication. Please consider these suggestions and submit your revised manuscript by 22-May-2019. I look forward to receiving your revision.

PLEASE NOTE: When you revise your manuscript please highlight the changes you make in the manuscript by using the track changes mode in MS Word or by using bold or coloured text.

To start the revision, please click on the link below:

*** PLEASE NOTE: This is a two-step process. After clicking on the link, you will be directed to a webpage to confirm. ***

https://mc.manuscriptcentral.com/erp?URL_MASK=8e49cc3c8a1749bca2a558aca74cbd23

This will direct you to the first page of your revised manuscript. Please enter your responses to the comments made by the referees and editorial office in the space provided. You can use this space to document any changes you made to the original manuscript. Please be as specific as possible in your response to the referees.

This link will remain active until the due date stated above. If you begin a revision and intend to finish it at a later time, please note that your draft will appear in the "Revised Manuscripts in Draft" queue in your Author Centre.

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Alternatively, you can also submit by logging into <https://mc.manuscriptcentral.com/erp>. Click on 'Author Centre' > 'Manuscripts with Decisions' > 'Create a Revision'.

Because we are trying to facilitate timely publication of manuscripts submitted to Expert Review of Pharmacoeconomics & Outcomes Research, your revised manuscript should be uploaded by the due date specified above. If it is not possible for you to submit your revision by this date, please do let me know as soon as possible.

Once again, thank you for submitting your manuscript to Expert Review of Pharmacoeconomics & Outcomes Research and I look forward to receiving your revision.

Sincerely,

Priti Nagda

Ref: Achieving cost-efficient management of drug supply via economic order quantity and minimum-maximum stock level

Dear Dr Rochmah,

Thanks again for submitting your revised manuscript and for your time spent making the revisions. We are delighted to now accept your paper in its current form for publication in Expert Review of Pharmacoeconomics & Outcomes Research. It will now be forwarded to our Production team for copy editing and typesetting. You will receive the proofs from them for checking, and instructions for transfer of copyright in due course. The publisher requests that proofs are checked and returned within 48 hours of receipt. The publisher will contact you, as part of the acceptance process, for confirmation on any colour figure requirements.

IMPORTANT: Since we cannot publish any manuscript unless a copyright form has been received, please fill out and submit the e-copyright form which will be sent to you in an email link once your paper has been loaded into our production system. Please ensure that this form is submitted within 24 hours so that the publication of your paper will meet the scheduled publication timeframe.

ACCEPTED AUTHOR VERSION FEATURE

As indicated previously, please note that in order to maximize exposure to your article, we publish the accepted, non-typeset version of all accepted manuscripts within a few days after acceptance, as soon as the copyright agreement has been signed. 'Accepted Author Version' articles will appear as submitted by the authors and will not have undergone any copyediting, typesetting, or proofreading. Once the manuscript has been through our production process (including typesetting), the finalized, typeset version of the article will replace the pre-typeset 'Accepted Author Version' online.

We regularly promote our published articles on social media, particularly via Twitter and LinkedIn, and we encourage authors to do the same. This can prove an excellent opportunity to share your article with a wider audience. Please visit <https://authorservices.taylorandfrancis.com/ensuring-your-research-makes-an-impact/> for ten top tips to maximize the impact of your research.

Thank you for your contribution to Expert Review of Pharmacoeconomics & Outcomes Research. I hope you've had a pleasurable experience publishing with us and I hope to receive further submissions from you.
