ACKNOWLEDGMENT

The God's blessing is the most thing that allows me to finish this thesis. Certainly, first of all praise be to Allah swt., for the strength I have been getting since so that the immense gratefulness of mine is contemplated to. Besides, by 'Alhamdulillah' I am feeling much obliged for I do successfully fulfil a requirement to obtain a degree in literary field.

I am also very indebted to Drs. Sumitro, my advisor, who has guided me all along in accomplishing this task. His insight, assistance and patience throughout the study are the great matters to which I would like to express my gratitude. If it is not owing to his helps, I realize I would hardly have completed my thesis.

Furthermore, I would like to thank all the lecturers of English Study Program in providing me this chance eventually. Their encouragement and kindness enable me to reach such way. To each of my friends - Retno, Agus, Octi, Indra, Novi and the other that can not be mentioned here, I would like to give my best regards as well. Their belief in me of performing this assignment is being a moral support that I would never ever forget.

In addition, I owe a lot to my parents who have supported my study up till now. They are dearest people who always make me try to do my best. May God love and bless them forever. Amien!
