ACKNOWLEDGMENTS

Toward the end of the writing of this thesis, I have to express a thank you to all who helped in making it happen. Although it seemed like an eternity, this was a total experience of mine. It is difficult to express in short bursts how grateful I am.

For this I give my greatest thanks to:

1. First and foremost to God, for His blessings and mercy.
2. My wonderful family: Ibu, Bapak, my sisters Ratri Chandra Purwanti, S.E. and Dowry Retno Mitayani S.Sos. and to the source of my strength, Petrény Zsolt, for your constant love, support and assistance in reading the manuscript.
3. My thesis advisor Dra. Christinawati and the lecturers of English Department of The Faculty of Letters of Airlangga University, Dra. SE.Widjajati, M.S. Edi Dwi Riyanto S.S., M.Hum., Dra. S. Itafarida, M.Hum., and Maimunah, S.S. Not forgetting M.L. Elrick of the Detroit Free Press Inc. for the contribution.
4. Each of my friends

It is hard to say so much in so little to so many. But, if one can be judged by the amount of love s/he gets from others, I must be the luckiest person in the world.
