Dear Professor Tjahjadi,

Thank you for submitting your manuscript to JOItmC. There are some NOTES needing your attention:

1. We found your paper has a relatively high repetition rate. Especially with following papers:

source 1: <https://www.mdpi.com/2199-8531/6/4/173/htm>

source 2:

<https://www.emerald.com/insight/content/doi/10.1108/IJPPM-04-2020-0181/full/html>

We attached the report. The highlighted parts in report are repeated parts. You should reduce the similarities of lines 100-106, 372-375. The percent match should be lower than 10%. We suggest that you could slightly modify and paraphrase sentences to reduce the repetition rate.

2. We found that there is no citation of Table Figure 1 and 2, please check and add them.

3. We noticed that reference [78] is as same as [46], please check and confirm if they are the same. If yes, please either replace or delete one of them.

Thanks in advance for your understanding and cooperation. We look forward to hearing from you soon.

Best regards,

Zoe Zhou
