IN THE NAME OF ALLAH THE BENEFICENT AND THE MERCIFUL

Primarily, I would like to thank Allah SWT who makes all things possible. Alhamdulillah, I can finish my thesis through the hard days. Without His Blessing I have no strength in performing this life. Sholawat and Salam goes to the prophet Rasulullah SAW.

I am very grateful to Ibu Sumarto, my thesis advisor, for her time and patience in guiding me to work out this thesis. Thank you for giving me your valuable knowledge in the process of writing this thesis. I would like to thank all the lecturers of English Department for teaching and giving me the valuable knowledge and science I need in literature.

I am deeply indebted to my beloved mother, Mama, for giving her affection and prayers; to my beloved father, Abi, for his great patience. Million thanks to Yus and Har for giving me a shelter from the rain and heat of the sun while I am far away from home. And also Sakinah, thank you for being my sweet niece. I would like to thank Lina, Ima, and Epi who always welcome me when I need their PC. Thanks to Amir, Iyal, Edos, and Fahmi for being good brothers and sisters.
