Dear Professor

Please find enclosed our original article manuscript entitled "**Transcatheter Closure of Doubly Committed Subarterial Ventricular Septal Defect : A Case Report**". It is our hope for this work which has never been published before or submitted to other journals to be considered for publication in this journal. This manuscript is our own original work and all of the authors have agreed to submit this manuscript. This manuscript no libellous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity. We have no conflicts of interest to disclose. The manuscript has been read and approved by all the authors, that the requirements for authorship as stated earlier in this document have been met, and that each author believes that the manuscript represents honest work, if that information is not provided in another form.

Best regards
I Ketut Alit Utamayasa
