*This thesis is sincerely dedicated to
My beloved Mom and Dad
For their incomparable love and patience.*

To all Cerebral Palsied children,
May the world would see and listen to you more wisely.

And to mothers of Cerebral Palsied children,
The greatest need of your children is to be needed.

ACKNOWLEDGEMENTS

All praises and gratitude be to Allah S.W.T. who has been blessing, helping and loving me so much to accomplish this thesis, guiding me to find the right path in this life and to find who really I am, giving me a reason to live this life longer and better, and will always help me in the following future.

I owe an enormous debt of gratitude to Dra. Anna Dewanti, Dipl. Tesl., for her valuable guidance, assistance, patience and understanding in finishing my thesis. Thank you for being a wonderful lecturer and a great friend at the same time. I would also like to thank to Dra. S. Ita Farida, M.Hum., the Head of English Department, Faculty of Letters, Airlangga University, and all lectures of the English Department Airlangga University who have been guiding me so wonderfully during my study. And for all staff the in Faculty of Letters, thank you for every nice service that you have been giving to me from the beginning to the end of my study.

To Ibu Hanifah J. Syahrul, the head of YPAC Branch Surabaya, Bapak Wahyu Wirogo, B.A., Service Manager of YPAC Branch Surabaya, Dra. Endang Nugrah, General Staff of YPAC Branch Surabaya, Ibu Sri Slamet, S. Pd., Education Staff of YPAC Branch Surabaya, Ibu Melva Taruli, Medical Staff of YPAC Branch Surabaya, Ibu Triworo Susilowati, S. Pd., the Headmaster of SLB-D1 YPAC Branch Surabaya, Bapak Gunawan Suwondo, S. Pd., the Headmaster of SLB-D YPAC Branch Surabaya, and all teachers of both SLB-D and SLB-D1 YPAC Branch Surabaya, thank you for your supports and guidance during my research. And to all students there, thank you so much for being so affectionate and cooperative to me. Your laughs, fears, and desires have touched my heart deeply and given me an incomparable experience ever.

I would also like to thank to Prof. Dr. Joko Roeshadi, dr., Sp.B., Sp.OT., Sri Mardjiati Mei Wulan, dr., Sp.RM, and Imam Subadi, dr., Sp.RM., orthopedists of Installation of Medical Rehabilitation RSUD dr. Soetomo Surabaya, who had been guiding me and giving me the best solution toward my problems during my research. And to Troeboes Purwadi, dr., Sp.S., your theories

concerning Cerebral Palsy are so helpful that I can finish my thesis, yet. Hopefully, this thesis would make you glad and proud since I also dedicate this thesis for medical necessity, too.

My biggest gratitude is also sincerely devoted to my beloved family for their understandings and supports in finishing my study and my thesis. Mom, your love and affection are countless, your patience and strength are incomparable. Dad, I have learned a lot from our fights, and I'm so glad I have finally realized that they were just reflections of your love and affection, anyway. Bro, I wish for the very best of you all the way. May forgiveness and consciousness enlighten your life and give you a right frame to start over new. Sis, your real life has just begun. Never give your spirit up. I love you all, truly.

To my Guardian Angel, I thank to God you came to me so that the stranger in me is fine and free to feel the truth (♪♪♪). Thanks a million for always being there for me, in good and bad time, for laughs and tears. I have done this job for you, then let me do another job you have asked me to, being with you in your every single day.

I also give my gratitude to my closest kin: Babe, Mami, mbak Atik, dek Deti, mas Yahya, mbak Retno, Adelia, and the newborn Zidan. Thanks a lot for supporting me to finish this thesis. I will never forget all your kindness, caring and understanding. I am very honored to be your 'next' kin.

To my close friends: cik Lely, Oemy, mama Ana, Sparrow, Anifah, Echie', Yulie, cik Ria, Tiwi', Ubay, mas Romy'94, Naning'94, Vietcong-KPU, Lala, Evanescence-PDIP, '99 students of English Department (Siska, Dewi, Ninik, Hesti, Tity), '98 students (Novi, Anna, Erika, Pras), '97 students (Ratna, Nana, Wahyu, Thea and Icha), Rusdi and R.E., you really meant for me, buddies, yet and ever. Thank you for your supports and help in finishing this thesis. Thank you for being there for me when I need someone to share with and someone I depend on.

To the Net and cellular things, to all plazas in Surabaya, to all songs and videos in my computer, thank you for entertaining me so and being there for me when I was numb. Even for all my secrets and nightmares, thank you, anyway, for haunting me days and nights.
