ACKNOWLEDGEMENTS

Alhamdulillah, all praises and gratitude only to Allah, The Only One who own our lives in every beat of our hearts.

In finishing this thesis, I have been helped by many people I can never thank enough. I express my gratitude to my parents, my mother and my late father, also my brothers. I also thank my thesis advisor, Ibu Dra. Sudijah, M.A., who helped and supported me much in finishing this thesis. My gratitude also goes to all lecturers of the English Department who guided and taught me from the beginning of my study here.

Special gratitude and appreciation also go to all my friends in the English Department, especially the '97ers, all brothers and sisters of Ranting Kertajaya, especially Pionkers. Let us reach the target as soon as possible.

At last, I really hope this work is only the beginning of another success in life. Amin.
