## **ACKNOWLEDGEMENTS**

First of all, I would like to express my gratitude to the Great Allah SWT who has given me strength, faith, bless, and guide during the thesis writing. Without His power, I will not well finish my thesis on time.

The second gratitude will be best to give to my beloved thesis advisor, Mrs. Masitha A.S., S.S., M.Hum., who always helped me to keep fighting on this thesis. Even though she was really exhausted, she still provided time for me to consult and discuss about the thesis. The most part that I really respect and appreciate her dedication as the advisor was in the injury time of the thesis submission. She helped and encouraged me a lot to finish this entire thesis. It is a priceless thing. May God bless for what she has done. Also, I would give my gratitude to the thesis examiners, Ema Faiza, M.Hum and Yulia Indarti, M.A., for the suggestion given to me during the thesis defense.

Furthermore, I would like to give special gratitude to my mom and dad who always supported and encouraged me to finish this thesis. I really want to thank for their patience, love, and affection so that I have chance to enter university, to write the thesis, and to be the Sarjana then. It is really valuable for me. This thesis is all for what they have done and as my dedication as their son.

Another big gratitude will be sent to the head of Cakra-Autism Center Surabaya, drg. Hj. Illy Yudiono, for her permission to do the research at her therapy center. Without her kindness, this thesis will not be accomplished. Also, I would send love and gratitude to Rama as my participant and Mrs. Eni, the therapist, as well.

To my beloved best friends, Dini, Angkita, and Siska, I would like to send gratitude for their help, encouragement, and time to share during the thesis writing. Also, I would like to give another gratitude to AIESEC-International platform for young people to explore and develop their leadership potential, especially AIESEC Surabaya, the Local Committee that I lead, which supported me every time. Thank you for developing me to be a better person. Special thanks will be sent to my beloved president, Almira Dea Rezkitha, who always supported, advised, and encouraged me to keep struggling in any condition. Also, gratitude is sent to my Executive Board team and all member of AIESEC Surabaya for the support.

At last but not least, I would like to give my big gratitude to all lecturers in English Department of Airlangga University who have taught me many things from the beginning of the semester. Special thanks will be dedicated to my academic advisor, Mrs. D.E. Widjajati M.S., for the support. Also, thank you for the all the people who have not been mentioned here for the support, help, and encouragement toward my thesis writing.
