Acknowledgments

My foremost gratitude goes to my beloved Allah SWT, because of His love and grace I could survive in this wild world even I could finish this thesis. The next gratitude is addressed to my thesis advisor Dra. Anna Dewanti, Dipl. Tesl., M.Pd., thank you for sharing the knowledge and ideas which are very useful in this study. I also want to thank my second 'advisor' Viqi Ardaniah, M.A. Linguistics for her support, contribution, and jokes throughout the writing of this thesis.

My best grateful is also dedicated to my parents. For my special mother who supports me in all aspects so I could finish this thesis. Thanks Ibu for supporting me in financial and the motivation that are given to me. Thanks to my precious little brother who has indirectly thought me how to be a good role model. In addition the grateful is also due to my big family.

Thank you so much to all my EDSA family who have made me grown up and give me a lot of precious experiences. My thanks also go to the committee of EDSA 2013 for the experiences and knowledge. For my EDSA family, Oddyk, Mas avis, mas Puguh, Boyke, thanks for the troubles and the solutions that make me learnt. For these guys, Nadia, Cece, Ryzkian, Nathan I owe you many rare moments, thanks for the supports, laugh and inspirations! You all have made me acquire the educations of life that turn me into a better person. For all my EDSA 2k10 family whom I cannot mention one by one, thanks for your stupidity and very best moments guys. The last but not least, thanks for the special one whom I cannot mention explicitly.
