## **ACKNOWLEDGEMENT**

**Alhamdulillahirabbil'alamiin are the best words to express my thanks to Allah SWT. After a long and winding journey through hardships, unexpected things and valuable experiences, I am finally able to finish one of the most important steps in the course of my life.**

**My biggest gratitude sincerely goes to my beloved parents for fulfilling my life with the precious love ever. We have learned many hard things in life we have been through together. I thank you beyond the surface for all caring, praying, and sharing. To my dearest sister, my cute nephew, and my brother in law, thank you for being the spices of my life.**

**My true gratitude goes to my thesis advisor and also my academic advisor, Dra. S. E. Widjajati, M.S., who has been very helpful and patiently directing me to the better ways while I am doing my thesis. My regard also goes to all my lecturers of the English Department whose knowledge has opened my eyes to the other side of the world. However, I realize that my thesis is still far from being perfected.**

**To all my friend whom I cannot mention one by one here, but who are most dearest thank you for accompanying and supporting me in sorrow and happiness. ALLAH SWT always blesses you ... Amiin ya robbal'alaamin.**
