Dear [Dr. Athiyyah](#):

We are in the process of getting your manuscript ready for typesetting. In the process we have learned that parts of the manuscript (specially in RED) need serious re-write. We can help you with the re-write at a very low cost but first we need you to re-word the content to enable us to understand the message.

Please re-word the RED portion of the manuscript in GREEN so that we can help you. Also edit references to comply with the journal style. Please follow the attached sample.

With best regards,

SK Gupta
