Kepada: Joni Wahyuhadi <joniwahyuhadi@fk.unair.ac.id>

Dear Dr. Wahyuhadi,

Your manuscript (MS# SNI_19_2021) titled "Tranexamic Acid to Reduce Operative Blood Loss in Brain Tumor Surgery: A Meta-Analysis" has been peer-reviewed by our reviewers.

Your manuscript may be acceptable for publication in Surgical Neurology International subject to a satisfactory revision of the manuscript as per the reviewer's suggestions. The reviewers have raised a number of points which we believe would improve the quality of the manuscript.

The reviewer's comments can be found in the author panel of the Manuscript Management System at <https://editorialassist.com/SNI>.

In the authors' panel please click "My Manuscripts->For Revision", then click the "Revise manuscript" to see the reviewer's comments. The reviewer's comments are also given below for your convenience. After the manuscript revision is complete, please upload the following three documents by clicking "Re-submit Manuscript" link from the author's panel

1. Rebuttal Letter to the Editor, explaining all the changes you have made in the manuscript.
2. A copy of the manuscript with changes made in Bold/Track-mode
3. A clean copy of the manuscript with track changes accepted.

We would encourage you to revise your manuscript at the earliest and resubmit it.

Dear Jim

We are sorry to find that we have missed the deadline of article publishing fee payment. We are willing to pay the fee by now, but is it still possible for us to pay after the deadline?

Thank you

Sincerely
Dr. Joni Wahyuhadi
