Dear Authors,

Thank you for submitting your article entitled: "**Combination effect of methotrexate with Narrowband Ultraviolet B (NB-UVB) phototherapy in psoriasis vulgaris patients in dermatology and venereology outpatient clinic Dr. Soetomo General Academic Hospital, Surabaya, Indonesia**".

Based on our author guidelines, Your article fulfilled the minimal required structure,

<https://www.balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist, the simplest way, you may use the Publons review checklist.

According to the new International regulation, please fulfill the requirements below:

1. Ethical clearance number/statement and/or informed consent at the end of the manuscript (**Confirmed**).
2. Please state your conflict of interest in the paper. (**Confirmed**)
3. Please state the funding (if any) in your paper. (**Confirmed**)
4. Please state each author's contribution. (**Unconfirmed**)
5. What is the inclusion and exclusion criteria in this study? Please clarify it further in the methods section.
6. Consider adding further information regarding any variables assessed in the methods section.
7. What is the statistical analysis used in Table 6 (e.g ANOVA, Kruskal-Wallis, etc)? Consider insert footnotes regarding this issue.
8. Please add information regarding the standard deviations (SD) of mean provided in Table 7.

Please revise your article with the missing details, and send it back to us in **7 days (January 12th, 2022)**

In addition, I do need to remind you that Bali Medical Journal is free to submit and Open Access for our readers. However, if your manuscript is accepted for publication, as the author, you will be charged **1,000 USD for APC (not included proofreading)**. Please confirm if you agree with this information.

Thank you for trusting us with your hard work

Warm regards,

Editorial Board Member
