**Download Author query form:** <https://wjarr.com/content/downloads>

**Special Note:**

1. Provide the name(s) of authors as First Name (Given name)-Middle Name- Last name (Family name/Surname) for each author and check that all names are accurately spelled. It is important from Indexing purpose.
2. In reference section author used local language, use only English language for writing manuscript. Use Google translate and convert text from local language into English.
3. Ensure that, all the references appearing in the text should be enlisted at the end in reference section and vice versa.

Without this we will not able to process your manuscript further.

**We hereby request you that,**

1. Read the proof at least thrice, note the errors and make necessary corrections (in blue colored text) to make the manuscript error free.
2. Do not change the format of the word file, just check the spelling and other errors in the attached text part.
3. Use this proof for checking the typesetting, editing, completeness and correctness of the text, tables and figures.
4. Significant changes to the article will only be considered at this stage with permission from the Editor.
5. Make sure that you send final approved copy of article proof along with duly filled Author proof form within 3 days after receipt of this e-mail.
6. **Your manuscript will not be further processed for publication until and unless we receive your final approved article proof and Author query form.**
7. **It is responsibility to author to check each and every word and spelling including italic and normal formatting of specific names. No changes will be accepted after this. If any changes are expected after publication of manuscript, author will have to pay charges accordingly.**

We would appreciate to receive your corrected proof as a word file by e-mail within stipulated time period so that we can process your article quickly and efficiently.

Thank you for submitting your work to this journal.
