To: arifa-m@fk.unair.ac.id, dinda.dwi.purwati-2018@fk.unair.ac.id,

Dear Authors,

Good day. Thank you for your submission of the manuscript "**Correlation of Serum Nitric Oxide and Urine Malondialdehyde Levels in Non-Hemodialysis Chronic Kidney Disease Patients**" to Molecular and Cellular Biomedical Sciences.

Before your manuscript is sent to our reviewers, it has been initially checked. We need you to make some revisions according to the correction list. Please find the file attached.

Please send us an email of your revised manuscript before **November 26, 2021** so that we can proceed with the peer-reviewing process. Please let us know if you have read this email.

Do not hesitate to contact us if you have any questions regarding the comments. Thank you. We wish you a nice day.

Best Regards,
MCBS Office

To: arifa-m@fk.unair.ac.id, [dinda dwi <dinda.dwi.purwati-2018@fk.unair.ac.id>](mailto:dinda.dwi.purwati-2018@fk.unair.ac.id)

Dear Author,

Good day. We have reached a decision regarding your submission to Molecular and Cellular Biomedical Sciences, "**Correlation Of Serum Nitric Oxide and Urine Malondialdehyde Levels In Non-Hemodialysis Chronic Kidney Disease Patients**".

Our decision is: **Resubmit for Review**.

Please find our reviewers' detailed comments in the file attached. Provide us a revised version of your

manuscript and a response letter before January 17, 2022. Mark/highlighted the revised part of the manuscript, so that the editor will notice the changes. In your response letter, please address your argument regarding the reviewer's questions.

Please let us know when you have read this email. Do not hesitate to contact us if you have any questions. Thank you, we wish you a nice day.

Best Regards,
MCBS Office

Dear Author,

Good day. We have reached a decision regarding your submission to Molecular and Cellular Biomedical Sciences, "**Correlation Of Serum Nitric Oxide and Urine Malondialdehyde Levels In Non-Hemodialysis Chronic Kidney Disease Patients**".

Our decision is: **Revisions Required**.

Thank you for your revision in the previous round. You did a great job in revising the manuscript. However, this manuscript needs some last revisions before it can be published. Find the list of the corrections in the file attached.

Please revise this manuscript and provide us a revised version of your manuscript before **January 28, 2022**. Mark/highlighted the revised part of the manuscript, so that the editor will notice the changes.

Please let us know when you have received this email. If you have any questions, do not hesitate to contact us. Thank you for your attention. We wish you a nice day.

Best Regards,
MCBS Office

Dear Authors,

A gentle reminder. If you have finished the revision, please **do not create a new submission, but upload your revision in the existing submission**, which is number #226.

You may go to your already existing submission by clicking

here: <https://cellbiopharm.com/ojs/index.php/MCBS/author/submissionReview/226>.

On the option 'Upload Author Version', pick the desired file, and click on 'Upload' to resubmit your revision.

Thank you for your cooperation. Please let us know when you have read this email.

Best regards,
MCBS Office
