correction of journal article in Collegium Antropologicum

Myrtati Dyah Artaria <myrtati.artaria@fisp.unair.ac.id> to Ivan, me Wed, Jun 24, 2020, 12:38 PM

Dear Chief Editor,

Our paper has been published in this journal in issue number 4, the year 2019. Recently I have been notified. Last night I checked, but the correction of affiliation is not according to our correction from the dummy article. Could you please:

- 1) Modify the affiliation? because Author number three (my name), is the corresponding author, I am responsible to notify you. My affiliation is "Department of Anthropology, Faculty of Political and Social Sciences, Universitas Airlangga", (NOT Psychology)
- 2) Modify the page number, because in the website, the page is not supposed to be number 1-10.

Thank you.

Best regards,
Prof. Artaria

Dear authors,

We apologize for the delay in informing You of the publishing of your article "The Society's Perspective of Human Trafficking" in our journal Collegium Antropologicum as we have been going through some changes in the editorial staff as well as recovering from the effects of the devastating earthquake that has stricken our capital Zagreb on top of the global pandemic.
