Dear Dr. Arun R. Risbud

Editor in Chief of The Journal of Krishna Institute of Medical Sciences University

With this e-mail I sent you the file of our original manuscript entitled "**Role of Melatonin in Down-regulation of RANKL (Receptor Activator of Nuclear Factor kappa-B Ligand):OPG (Osteoprotegerin) Ratio in Rat BM-MSCs (Bone-Marrow Mesenchymal Stem Cells)**" by Adya Pramusita, Gondo Mastutik, and Suhartono Taat Putra for consideration of publication in the The Journal of Krishna Institute of Medical Sciences University as original article.

I hope that the reviewing process finds the manuscript acceptable for publication in the journal.

Sincerely Yours,

Gondo Mastutik, Department of Anatomic Pathology, Faculty of Medicine, Universitas Airlangga, [Jl. Mayjen Prof. Dr. Moestopo 47, Surabaya, Indonesia, 60131](#), phone. 62-31-5020251, ext 151, Email: [goondomastutik@gmail.com](mailto:goondomastutik@gmail.com)
