

ELSEVIER

Share your article!

Dear Professor alamsjah,

As co-author of the article *Characterization of freeze-dried microencapsulation tuna fish oil with arrowroot starch and maltodextrin*, we are pleased to let you know that the final version – containing full bibliographic details – is now available online.

To help you and the other authors access and share this work, we have created a Share Link – a personalized URL providing **50 days' free access** to the article. Anyone clicking on this link before November 07, 2020 will be taken directly to the final version of your article on ScienceDirect, which they are welcome to read or download. No sign up, registration or fees are required.

Your personalized Share Link:

<https://authors.elsevier.com/c/1bmFe,65-xVZih>

Click on the icons below to share with your network:

We encourage you to use this Share Link to download a copy of the article for your own archive. The URL is also a quick and easy way to share your work with colleagues, co-authors and friends. And you are welcome to add the Share Link to your homepage or social media profiles, such as Facebook and Twitter.

You can find out more about Share Links on [Elsevier.com](https://www.elsevier.com).

Did you know, as an author, you can use your article for a wide range of scholarly, non-commercial purposes, and share and post your article online in a variety of ways? For more information visit www.elsevier.com/sharing-articles.

Kind regards,
Elsevier Researcher Support
