Dear Dr. Ninuk Hariyani,

Journal of International Oral Health has received your manuscript entitled "Natural Peer Group Approach as a Learning Strategist for Maximizing Dental Health Education in School-age Children" for consideration for publication. The reference number for this manuscript is "jioh_213_18". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as correspondin g author.

You are requested to send the signed copyright/contributor form within two weeks. The form can be uploaded as an scanned image from your area. The decision about the manuscript will be conveyed only on receipt of the form. High resolution images are required at the time of acceptance, you should be notified separetrly for the same, if images uplaoded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <http://www.journalonweb.com/jioh>.

The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository. The journal does not charge for submission, processing or publication of manuscripts and except for color reproduction of photographs.

We thank you for submitting your valuable work to the Journal of International Oral Health.

Yours sincerely,

Editor

Journal of International Oral Health

Dear Dr. Ninuk Hariyani,

With reference to your manuscript entitled 'Natural Peer Group Approach as a Learning Strategist for Maximizing Dental Health Education in School-age Children', please review the comments of the referees from our site <http://www.journalonweb.com/jioh>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made. Do check the FAQ regarding replying to the comments and uploading a file . The contributors' form/images should be sent separately to the Administrative Office of the journal.

The journal allows four weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Journal of International Oral Health.

With warm personal regards,

Editorial Team

Journal of International Oral Health

Include the referees' comments along with the point to point clarifications separately in the comments file using the template provided here. Please upload this file separately at the time of submitting the revised manuscript.

Remarks:**Dear Author**

We are asking multivariant analysis, means apart from P value, SD, mean regarding other test like ANOVA, multi regression, Post tukey or wilcoxn test which can be applied as per your study type and sample. Please add same in tables and results.

This is job of statistian. Please take help and add tables in manuscripts.

Any queries please let us know.

Also see other technical comments. Certain reference journal are still not in english language. Please confirm.

Regards
