Manuscript: EJD-2020-1-1 - (374) - Cytokines and Chemokines in Periodontitis

Date submitted: 2020-01-02

Dear Dr. Hariyani

Thank you very much for submitting the above manuscript to European Journal of Dentistry.

Your manuscript has now been evaluated by external reviewers and members of the editorial board. A number of minor points of criticism were raised and these must be addressed before your manuscript can be accepted for publication.

When you resubmit your manuscript, please provide point-by-point answers to the reviewer criticisms in the text field provided during the online resubmission process and highlight any revisions made in your manuscript document.

We look forward to receiving the revised version and thank you, again, for submitting your manuscript to European Journal of Dentistry.

Sincerely,

Dr. Nejdethan Adanir, DDS, PhD.  
Editor-in-Chief, European Journal of Dentistry  
Associate Professor, Department of Restorative Dentistry  
School of Dentistry, King Faisal University

Reviewer report:

1. Free radical is out of topic
2. Needed specific discussion more associated to the title
3. Add a table of literature for each author

-----  
Editor-in-Chief comments:

-----  
Cross-referencing: We would like to emphasize that we attach great importance to cross-referencing recent papers on the same topic in the European Journal of Dentistry. Therefore, it would be highly appreciated if you would check the last 5 years of European Journal of Dentistry and cite references relevant to your article.
