Dear Dr Soesilawati

The revised author proofs for your paper "In vitro Cell Proliferation Assay of Demineralized Dentin Material Membrane in Osteoblastic MC3T3-E1 Cells" [ID 313184] are now available by clicking this link:

<https://www.icorrectproof.com/dovepress/Home/Integra?B4vaOgFibzL+jZynzv07ICvL/nc1N92x1M7J41eBwEPdg+gi8HQPHxbyrEd51FOqXeyVs/TbSgObzj0QP0eWcqecQ/bclToD6H1EknAxA6IRvsftk/F6wVLD13ACdn2>

You are receiving revised proofs either because you submitted online edits for your paper or because we found issues during our final pre-publishing checks that required correction. Please review your online revised proof and check any edits were correctly processed. Ensure you show your co-authors the PDF proofs which can be downloaded from the link above. If any further final corrections are needed, please make your corrections in the online correction tool.

Please complete the process by using either the green (approve for publishing) or red (corrections/new proof needed) submit button in the top right hand corner of the webpage in the tool.

Please submit your proof within the next 5 working days (due 02 Nov 2021) to ensure your paper is published in a timely manner.

Dear Dr Soesilawati,

I am pleased to inform you that the submission, "In Vitro Cell Proliferation Assay of Demineralized Dentin Material Membrane in Osteoblastic MC3T3-E1 Cells", has been accepted for publication in "Clinical, Cosmetic and Investigational Dentistry". The article publishing charge is now payable before the paper can be progressed any further and an invoice is accessible here: https://www.dovepress.com/invoice.php?i_key=QQP9zQZhMoNr40DJ1oTN2mGE54496

(If you require any amendments to your invoice please reply to this email. Please note invoices cannot be amended once a payment has been made)

The above acceptance for publication is conditional upon the required copyright permissions being obtained, if applicable.

The fee can be paid by credit card (Visa, MasterCard or AMEX) or bank transfer*. Instructions are given below, which we strongly recommend you read before organizing payment.

Paying by credit card:

Click on the URL given above to be taken to our secure credit card payment gateway. Because credit card payments are immediate, we recommend using this method to ensure that processing of your paper continues promptly. When processing your payment through the secure credit card system you will need to remain on the payment pages until the transaction has completed – either successful or failed. Do not close your browser during this time.

Paying by bank transfer:

Please forward the invoice accessible through the URL given above together with this information to your organization's accounts administrator:

Bank transfer details:

BNP Paribas London
10 Harewood Avenue, London, NW1 6AA

Account name: Dove Medical Press Ltd
Account No.: 87810020 (This account is for USD transactions only)
Sort code: 40-63-84
VAT No.: GB 365 462 636
IBAN: GB70BNPA40638487810020
SWIFT BIC: BNPAGB22
CORRESPONDENT: BNPAUS3N (Intermediary Bank)

IMPORTANT NOTES WHEN PAYING BY BANK TRANSFER:

* Bank transfer costs: If paying by bank transfer you must ensure that the full amount of the invoice is transferred to Dove Medical Press. Any bank fees should be at the senders expense as under-payment of your invoice will result in delays to your paper being published.

- Please instruct your accounts administrator to include your submission ID in the payment information provided when the transfer is initiated.

PLEASE NOTE: We do not accept payment by check.

Receipts:

If you require a receipt please let me know.

The acceptance of your paper is subject to all outstanding content-related queries being addressed to the satisfaction of the Publisher.

If you have any questions about your paper please contact us at any time, we welcome your feedback.

Yours sincerely

Mrs Vivienne Gee

Note: By having your paper accepted for publication you agree to our terms of publication which, amongst other things, require that:

- 1) Your paper should be unique and not published elsewhere. If you have reused or adapted figures, tables or sections of text from papers published elsewhere you must approach the copyright owner (normally the journal publisher and not the author) and obtain their permission to re-use those elements;
- 2) Your paper should not be under consideration by any other journal or publisher; and
- 3) You should advise us immediately if you have received any financial or other support from a commercial organisation in the preparation of this manuscript; and
- 4) The Editor-in-Chief or their Associate Editor may, at their sole discretion, cancel the acceptance of any paper and require a full refund to the author(s) of any publication processing fees.

CONFLICT OF INTEREST DISCLOSURE

Please now complete the disclosure form by clicking on the following link:

https://www.dovepress.com/icmje_coi.php?submission_id=313184&author_id=1014699&l=4Cm3LjD1OYKpXL6ofcLmPxpK1014699

The purpose of this form is to provide the Editor-in-Chief of Clinical, Cosmetic and Investigational Dentistry with important information about your possible conflicts of interests. The composition of this form follows that of the International Committee of Medical Journal Editors (ICMJE) standard and further demonstrates our commitment to the highest ethical and professional standards.

The form is designed to be completed and stored electronically. Each author will receive an individual email like this and should submit a separate form. Each author is responsible for the accuracy and completeness of the submitted information.

What happens next:

=====

Your submission will be given an initial review to ensure its suitability for Clinical, Cosmetic and Investigational Dentistry. Once that has been completed, peer review will commence, and we will be in contact again when that has been completed.

If your paper is accepted for publication you will need to pay an article publishing charge of USD 1935 (plus VAT if applicable).

What to do if you have questions:

=====

At any time throughout the submission process you are welcome to contact the Editorial Team should you have any questions about your submission. The status of your submission can also be tracked through DoveCentral. You will automatically be notified of changes in the status of your submission.

A reminder of manuscript submission terms and conditions:

=====

Please note that your submission has been received on the basis of your agreement with the terms and conditions which you were asked to consent to during the submission process. These are outlined again below and are available in full on the website (http://www.dovepress.com/author_guidelines.php?content_id=771):

- The submission is in compliance with the author guidelines and any applicable journal-specific guidelines; and,
- My co-authors (if any) have authorized me to submit our manuscript; and,
- I am not in a conflict of interest; and,

- I have read and understood the copyright terms; and,

- I have read and understood the article publishing charge terms and I understand that unless I have previously applied for a waiver I will be required to pay an article publishing charge before my paper can progress any further if my paper is accepted for publication. Note that article publishing charge invoiced to EU countries are subject to 20% VAT; and,

- The manuscript I am submitting is not currently under consideration for publication in another journal, nor has it been published in another journal; and,

- I have clearance to reproduce any copyrighted material; and,

- Nothing in the submission is unlawful, libelous or would constitute a breach of contract or confidence or commitment to secrecy; and,

- I absolve Dove Medical Press Ltd from all legal liability arising from my submission; and,

- I have taken due care to ensure integrity of the submission and according to currently accepted scientific knowledge all statements in it purporting to be facts are true.

Changes to authorship

=====

Dove does not permit the changing/adding/deleting of authors after submission of the paper. We support the GPP3 guidelines that indicate addition or removal of an author should only happen in rare cases, such as the work changing substantially in response to the reviewer or Editor's comments.

Many thanks for your submission.

Yours sincerely
