Hi sir/madam

I want to send my article in the field of university entrepreneurship to your journal, I wanted to know how long does it take to answer whether you accept the article or not?and how much is the fee?

Yours sincerely,

Dear user, our data come from Scopus/Elsevier, which offers an annual copy of your database. We understand that since the date (2016) indicated by Scopus/Elsevier the journal is no longer indexed in its database. While the citation window is still active, we can show indicators of the journal. Best Regards, SCImago Team
