Arofi Kurniawan, Muhammad Rizky Rafianto Wibowo, An'nisaa Chusida, Beta Novia Rizky, Beshlina Fitri Widayanti Prakoeswa; Michael Saelung; Aspalilah Alias:

We have reached a decision regarding your submission to Bulletin of the International Association for Paleodontology, "Adults' dental age estimation by mandibular canines' pulp/tooth ratio in Surabaya, Indonesia".

Our decision is to: Resubmit for Review

Carefully read the reviewers' comments below and in the attachments, and return the revised paper by April 30, 2022.

Kind regards

Marin Vodanovic

The following message is being delivered on behalf of Bulletin of the International Association for Paleodontology.

Dear Dr. Marin Vodanović

Thank you for your email. We would like to confirm that we have resubmitted the revised version of our manuscript through the submission website. We hope that the revision will improve the quality of our manuscript and it will meet the requirements for publication in the Bulletin of the International Association for Paleodontology. Thank you very much for your consideration

Best regards,
Arofi Kurniawan

Dear authors

Please find in attachment the uncorrected proof of your paper submitted to the Bulletin of the International Association for Paleodontology. You should review the proof as soon as possible.

Please check carefully the title, author names, affiliations, figures, tables, references and the whole text. At this stage only minor changes are possible. After this stage no further changes are allowed.

If there are any corrections, please send a message at vodanovic@sfzg.hr up to Monday June 27th, 2022.

Thank you

Kind regards

Marin Vodanovic
