Dear Dr Kurniawan,

With reference to your manuscript ijfo_1_22 entitled Smartphone Camera as the Alternative of 3D Scanner for Bitemark Analysis in Forensic Odontology: A Review, please review the comments of the referees from our site <https://review.jow.medknow.com/ijfo>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made.

Do check the FAQ regarding replying to the comments and uploading a file. The template of point-by-point comments files for the reviewers, is available in your dashboard under the 'Downloads' menu option.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that the submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to International Journal Of Forensic Odontology.

With warm personal regards,

Editorial Team
