So, what now?

To put it simply - this is just the beginning! Authors who actively share their article in the first year **receive more views, feedback and citations**.

You and your co-authors invested huge amounts of time and effort to create this article. If you believe it will benefit your academic community (or a wider readership), now is the time to get it out there!

First - keep track of your article's usage

As an author you have access to exclusive [PeerJ analytics tools](#). Now that you are published, you'll get a rich data set of daily usage across all of your publications at PeerJ. Also discover how download and citation rates of published articles are affected by a manuscript's title length, choice of open or hidden review history, and more.
