To: ira-a@fkg.unair.ac.id

Dear Dr Dr. ira arundina,

Journal of Advanced Pharmaceutical Technology & Research has received your manuscript entitled "The expression of IL-1 β and Nrf-2 in the periodontitis after treatment of rice hull liquid smoke " for consideration for publication. The reference number for this manuscript is "japtr_222_21". Kindly quote this in future correspondences related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to ONE journal at a time and has NOT been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in a part.

Online submission of this article implies that the corresponding author has written consent from all the contributors to act as the corresponding author.

The co-authors are requested to send their agreement response on the **Digital Copyright** sent via a link to their associated emails, within 1 week of submission. The status can be viewed in the 'Manuscript Information page' from the submitting author's area. The decision about the manuscript will be conveyed only on receipt of the agreement on copyright form received from all contributors.

High-resolution images are required at the time of acceptance, you should be notified separately for the same if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system.

During this process, you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://review.jow.medknow.com/japtr>.

We thank you for submitting your valuable work to the Journal of Advanced Pharmaceutical Technology & Research.

Yours sincerely,

Editorial Team

To: ira-a@fkg.unair.ac.id

Dear Dr arundina,

With reference to your manuscript japtr_222_21 entitled The expression of IL-1 α and Nrf-2 in the periodontitis after treatment of rice hull liquid smoke, please review the comments of the referees from our site <https://review.jow.medknow.com/japtr>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made.

Do check the FAQ regarding replying to the comments and uploading a file. The template of point-by-point comments files for the reviewers, is available in your dashboard under the 'Downloads' menu option.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that the submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Journal of Advanced Pharmaceutical Technology & Research.

With warm personal regards,

Editorial Team

Dear Sir/Madam,

Waiting for your reply on below mail. Please review the attached proofs and answer the remaining queries within next 2 days. As mentioned earlier, your paper is assigned for Apr_Jun_2022 issue of JAPTR and we are finalizing the issue for web as early as possible. So you are requested to answer the queries within the stipulated time.

For copyright related query, if there is the incorrect email ID uploaded in database and due to this the copyright agreement is not received by the co-authors, please send the correct Email Ids of those authors, I will update it in the database and send them the copyright agreement again.

Second option is I am attaching the blank copyright form herewith. Please ask you co-author to sign it and send it to me in the non-editable format like jpeg, png, tiff etc. Please note, copy pasting author signature or initials in copyright form is not valid. We need the copyright form duly signed by all authors.
