Subject: [DJMKG] Editor Decision

Dear michael josef kridanto kamadjaja, sherman salim, wiwik herawati,

We have reached a decision regarding your submission to Dental Journal (Majalah Kedokteran Gigi), "In vivo evaluation of BSP and DMP-1 in scaffold crab shells-derived hydroxyapatite (Portunus pelagicus) for the purposes of socket preservation".

Our decision is to: Revise your manuscript to review in the next round

Please revise according to the reviewer comments, highlight the text with color on the changes made and make a response letter (file attached).

**Please send the revised manuscript within two week.**

Make sure your name is not displayed in the files to ensure all files are anonymized.

Follow this [link to how to ensure all files are anonymized](#) during upload.

Determination of acceptance of the manuscript based on the revised results sent.

Best Regards,
