Dear Dr. Hermansyah:

I would like to thank you for submitting your manuscript entitled "The contemporary role and potential of pharmacist contribution for community health using social media" to Journal of Basic and Clinical Physiology and Pharmacology (JBCPP). Your manuscript has been reviewed, and it is a pleasure to accept it for publication in JBCPP. The comments of the reviewer(s) are included at the bottom of this letter.

The JBCPP production office will contact you for proofreading in the near future. Your article will be published ahead of print as soon as possible, and assigned to an online issue at a later time.

Thank you for your fine contribution. On behalf of the Editors of Journal of Basic and Clinical Physiology and Pharmacology we look forward to your continued contributions to the Journal.

Kind regards

Dr. Chrismawan Ardianto

Guest Editor, Journal of Basic and Clinical Physiology and Pharmacology

Reviewer(s)' Comments to Author:

Reviewer: 1

Comments to the Author

The manuscript shows the impact of certain SM on patient education and their behavioral modification. The methodology is sufficient to draw a conclusion. The author does not over discuss the findings. The perspective of the research may contribute a lot to the field. The manuscript is suggested for acceptance with no exception.

Reviewer: 2

Comments to the Author

The manuscript has explained the impact of social media on health care improvement. The data were obtained in a good study design. The impact and novelty is good. The author has prepared the manuscript very well.

21 November 2019

Dear Andi Hermansyah,

Your article's galley proof is now available:

jbcpp-2019-0329: The contemporary role and potential of pharmacist contribution for community health using social media

Check your galley proof carefully and submit your corrections within 4 days until 25 November 2019.  
When making corrections, please note that at this stage of production extensive changes cannot be carried out.

The following link will take you directly to your proof:

<http://proof-check.degruyter.com/author-proof?dG9rZW4lM0Q1MjdmMGExMzA2NjliNTI0MThiYjFmYzNiOWJhZGFjYw==>

1. For implementing corrections, please go to "Start editing" and then double-click on the corresponding paragraph.
2. Once you submit your corrections via "Submit", they will be checked, implemented and your article will be published online at [www.degruyter.com](http://www.degruyter.com).

In case of problems or questions, please contact the Production Department of De Gruyter (contact info below).

You may choose the option to publish your paper "Open Access". For more information about this, please take a look at our website: <http://www.degruyter.com/page/560>.

Sincerely,

CompuScript (Typesetting)
