Dear Liza,

Thank you for submitting the manuscript, "Collaborative Analysis of Doctor-Pharmacist in the Treatment of Diabetes Mellitus Patients According to The Pharmacist's Perspective in Airlangga University Hospital Surabaya to Continuing Education" to Pharmacy Education. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <https://pharmacyeducation.fip.org/pharmacyeducation/authorDashboard/submission/2003>
Username: liza_priestanty

Review process
All submissions to Pharmacy Education are peer reviewed by 2 reviewers, and relayed to you by a nominated Section Editor from our Editorial Team. The Section Editor may ask you to make revisions to the paper to render it acceptable for publication and ask that you make revisions within one month of receipt. We shall then review your revised paper and advise you of our decision, which is final.

If you have any questions, please do not hesitate to contact me. Thank you for considering this journal as a venue for your work.

Kind regards
Kully Rennie BSc. MSc.
