Dear Author,

Terima kasih atas responnya, Bu.

Paper ID CJ1988 dan CJ1954 masih belum accepted, Bu.

Dua paper berikut telah kami proses ke jalur submission reguler karena author memerlukan bukti korespondensi dengan editor, sedangkan untuk proses fast track tidak ada korespondensi seperti proses submission reguler.

Kami akan terus mendampingi paper berikut sampai berhasil accepted di jurnal bereputasi.

Mohon ditunggu update dari tim kami, Bu.

Terima kasih.

Oncology and Cancer Screening**Dear Dr.Imam Susilo,**Greetings from **Oncology and Cancer Screening!**

We cordially invite you to publish your paper in the upcoming issue of JOCS. As an open access publisher we can accept any of your unpublished works.

We request you to contribute a manuscript (like research paper, review article, short communication, case report, editorial etc.) to help us release the upcoming issue of the journal in a timely manner. If possible, please submit manuscript based on research work that has received NIH grant (or any other grant) and mention the grant number (if any).

We have gone through your huge profile online and it is very fascinating and inspiring "**Effect of Intravenous Glutamine on Caspase-12 Expression in the Apoptosis of the Glomerular Epithelial Cells of Male Rats Exposed to Cisplatin**"

Aditum accepts manuscript submissions through a info@aditum.org (or) aditum.publishing@gmail.com

Benefits of Publishing in JOCS

- High quality peer review service
- International Editorial Board
- Immediate publication upon acceptance

It would be great to submit by **April 23rd, 2021**, if your manuscript is ready kindly forward.

You can submit your Biography (150 words), Research interest & Recent photograph to join our editorial board.

Note: If you want to be an Editorial board member. The eligibility is minimum Ph.D. or M.D
I look forward to receiving your submission!

Please acknowledge this mail within 24 hours
