Dear Editor in Chief of SYLWAN,

my name is Virda Maharani from Airlangga University - Indonesia, a few weeks ago my team sent a manuscript to SYLWAN entitled: effect of Ropivacaine infiltration in incisional wound on fibroblast growth factor (FGF) expression and collagen thickness in wound healing (Virda Maharani, Arie Utariani, Imam Susilo). However we did misswriting in corresponding email address, the right email is [imam-susilo@fk.unair.ac.id](mailto:imam-susilo@fk.unair.ac.id) therefore until now we have not received the decision email from you.

We really wish it could be published in SYLWAN. Would you like to give me any information regarding my manuscript status? And the invoice if it have accepted.

Thank you very much for your favor.

Best Regards  
Dr. Virda Maharani  
Airlangga University

Dear imam Susilo,

Thank you for your enquiry.

Ticket number 201122-011109 has been opened on your behalf and we aim to respond within 48 hours(excluding weekends). Please be advised that it may take up to four weeks for any relevant corrections to be completed. We appreciate your patience in this matter.

**For missing requests, we will attempt to source one on your behalf, but this may result in delay in resolving your request or your request being returned if a PDF cannot be sourced.**

Please use this ticket number in any future correspondence and please do not change the subject line of this email when you reply.

For further support information please visit our [Scopus: Profile and content corrections Support Center](#).

Regards,
