Dear Author(s)

Nasrulloh, Hamzah, Arie Utariani, Imam Susilo*,

Thank you for your paper submission. We hereby confirm that we have safely received the manuscript entitled 'Effect of Ropivacaine Around the Incision on the Expression of Platelet Protein Derived Growth Factor and Neutrophil Cell Infiltration in the Wound Healing Process (Experimental Laboratory Study on Wistar Rats)'. The ID code for your paper is 'kvrbrq' which should be kept safe for further contacts with the journal.

We expect your paper to be sent for reviewers in a day or two after rapid review by the journal editorial. We will hopefully be back to you with the final result and the reviewers' comments on your paper within 10 days.

Please check both your inbox and spam e-mail folder each time to ensure you receive the journal emails on time.

Regards

SYLWAN Editorial
