Paper ID: **[IJHS-9151]**

We have reached a decision regarding your submission to International journal of health sciences, "Differences in left ventricular wall thickness in aerobic weight-bearing exercise and non-weight-bearing exercise in elderly Mus Musculus".

Thank you for submitting your manuscript to **Universidad Tecnica de Manabi**. The paper was received, checked with Turnitin/iThenticate and no similarities were found, and ultimately was registered for peer-reviewing. Please always quote your Paper ID in all future inquiries or communications. You will be notified regarding the editorial result and production.

Your submission to IJHS implies that the manuscript has not been published previously with a max 15% Turnitin report, and is not currently submitted for publication elsewhere. If any case of concurrent submission is found, the submission will be immediately rejected and the author's names will be put on our blacklist.

Author(s) should note that they will be requested to pay the article processing charges, for more details please visit <https://sciencescholar.us/journal/index.php/ijhs/apc>

Do not hesitate to contact us if you have any inquiries. Thank you for considering this journal as a venue for your work. Our decision is **Approved for Publication**

Three publication procedures are expected to be completed: (1) paper charge payment, (2) paper revision, and (3) copyright form. After the payment is made, details of the other two publication procedures (2) paper revision, and (3) copyright form will be sent to you.

It is a pleasure to accept your manuscript for publication in IJHS. The comments of the referee(s) who reviewed your manuscript are included at the bottom of this letter.

Dear editor International Journal of Health Sciences

Please find enclosed our manuscript entitled; " **Differences in Left Ventricular Wall Thickness in Aerobic Weight Bearing Exercise and Non Weight Bearing Exercise in Elderly *Mus Musculus*** " which we would like to submit for publication as a review International Journal of Health Sciences.

This study aims to test differences between the effects of aerobic weight bearing exercise and aerobic non weight bearing exercise as a sports solution for the elderly.

We confirm that this manuscript has not been published elsewhere and is not under consideration by another journal. All authors have approved the manuscript and agree with submission to the international International Journal of Health Sciences.

With Warm Regards,

dr. Imam Susilo, Sp. PA
