Dear **Prof. Dr. Eighty Mardiyani Kurniawati,**

Your article looks well designed which titled "**Biofeedback exercise and its relation to pelvic floor muscle strength: an experiment at 3 weeks and 6 weeks postpartum**", but it should be revised especially references section according to the JIDMR guideline <http://www.jidmr.com/journal/author-guidelines/>.

References citations should be at the end and upside of sentences without brackets as a numerical superscript.

All of the references section should be unique with a same character (Year, volume(No): page number).

You can send your article after revisions, you must complete your process up to 60 days.

Sincerely yours.

Prof. Dr. Izzet YAVUZ
Editor-in-Chief and General Director
Journal of International Dental and Medical Research ISSN 1309 - 100X
