The following message is being delivered on behalf of International Journal of Public Health Science (IJPHS).

Dear Prof/Dr/Mr/Mrs: eighty mardiyani kurniawati.

We have reached a decision regarding your submission entitled "Adolescent perception of **informational and instrumental support related to menstruation** at boarding school for girls" to International Journal of Public Health Science (IJPHS), a peer-reviewed and an OPEN ACCESS journal that makes significant contributions to major areas of public health science.

Our decision is **revisions required**.

The goal of your revised paper is to describe novel technical results.

A high quality paper MUST has:

- (1) a clear statement of the problem the paper is addressing → explain in "Introduction" section
- (2) the proposed solution(s)/method(s)/approach(es)/framework(s) ...
- (3) results achieved. It describes clearly what has been done before on the problem, and what is new.
